REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-19 are allowable because none of the prior art of record discloses at least one display component mountable on a connecting component being mountable on a tree trunk, said display component having at least one tree limb extending therefrom and having at least one lighting cable being supportable by said tree limb and being provided with at least one decorative light, an electrical circuitry being attachable to said connecting component and including a connecting component-to-light coupling means for electrically coupling said connecting component to said decorative light, said connecting component-to-light coupling means allowing said display component to rotate relative to said connecting component about a rotation axis substantially parallel to said trunk longitudinal axis while maintaining the electrical coupling between said connecting component and said decorative light.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan Cariaso whose telephone number is (571) 272-2366. The examiner can normally be reached on 9-5:30 M-F.
